

UNIFORM

At St Mary Abbots we believe that a school uniform encourages the children to take pride in their appearance. Whilst making life easier for parents as it removes the daily problem as to what the children should wear to school. It also gives the children a sense of belonging and when on school trips makes them easy to identify.

Please ensure that clothes are marked clearly with the child's name (including footwear). Children wearing wellington boots in wet or bad weather should bring their school shoes with them to change into while indoors.

All uniform with the school logo is available from [School Uniform Direct](#). Other items of uniform are readily available from high-street shops.
